As per our discussions, attached is the revised response document for Super Salvage information requested. As noted some of the Exhibit numbering changed from the copy you received. The following are the items that were corrected.

Question 10 d. should reference Exhibit G – Service Invoices for Vacuuming and Disposal Activities
Question 10 e. should reference Exhibit H – Pond Water Sample Results for Mercury Sampled on September 11, 2013
Question 21 should reference Exhibit I – Annual Self-Certification of Compliance Forms Completed for the DDOE

Once again, I apologize for any inconvenience and appreciate your assistance with this matter.

Sincerely,
Madeline
